Colour: High Gloss Latte
Design: Modern Slab

The simple, uncluttered lines of the Modern Slab door, shown here offset with the muted tones of the High Gloss Latte finish, combine together to create a kitchen that is effortlessly functional, yet soothingly appealing.

Colour: High Gloss Latte/Classic Walnut
Design: Modern Slab

Create your own sensorial landscape with this combination of rich walnut and latte gloss, shown to perfection on simple Slab doors. Satin aluminium door furniture and stainless steel accessories introduce an industrial twist to a space that is functional, yet aesthetically pleasing.

A certain lightness of touch defines this style. Clean, uncluttered lines, shown here in the soft buttery tones of the Vanilla Lustre finish, combine to create a kitchen that is effortlessly functional, yet soothingly appealing.

Colour: High Gloss Vanilla
Design: Rimini

Colour: High Gloss Alabaster
Design: Modern Slab

The calm, cool alabaster finish on these Modern Slab doors works to perfection with brushed aluminium accessories and stainless steel appliances. Combine it with a walnut worktop, and the result is stunning.

Colour: Natural Walnut
Design: Belfast Shaker

A classic look, reinterpreted here with a sympathetic eye on contemporary functionality. Free-standing and fixed units that work equally well within a strikingly modern setting, or a traditional family home.

Colour: Beech
Design: Belfast Shaker

Light, airy lines, accentuated by a mix of high quality materials and subtle Beech hues, are consciously retained in this classic design. Sleek detailing on the Shaker style doors is perfectly married to subtle highlights. City centre loft or suburban domicile – the choice is yours.

Colour: Classic Walnut
Design: Bilbao

Discover a lightness of touch and a harmony of use in every detail of the Bilbao door. Recessed handles dispense with superficial decorative elements, creating a safe, hygienic surface that is enhanced by the deep, rich, textural grain of the classic walnut finish.

Colour: Smooth Cream
Design: Kensington

The deeply routed surface of the Kensington door creates a landscape of highlights and shadows that add texture and architectural interest, softened here by smooth cream finish. Choose a colour that suits your style of living.

Colour: Victorian Pine
Design: Bevelled Shaker

A true amalgam of the old and the new. The reassuring warmth of knotty pine, imbued with the strong lines of a traditional Shaker door, and given a contemporary twist. The result – a kitchen for today that bears the quality hallmarks of yesteryear.
